Student at ALX software Engineering Programme

ALX-Africa
Online
Currently learning

CERTIFICATIONS

- Oracle Cloud Infrastructure
- CCNA Routing and switching
- Oracle Banking products technical and extensibility

SKILLS

- Programming, Web Dev, API
- Version Control and Sys Adm.
- Database Mgt systems
- Web Infrastructure design
- Financial Technologies
- System Integration

ABOUT ME

Passionate and driven technology developer with experience in financial services applications such as oracle flex cube universal banking (FCUBS 14.5), Oracle digital banking experience (OBDX 21.1), fintech Chequepoint(6.0). Skilled in fast-learning and adapting to new technologies, with a strong desire to continuously improve skills and knowledge. Currently working as a software developer, leveraging expertise in developing scalable and robust applications. Committed to delivering high-quality work by collaborating with cross-functional teams.

EXPERIENCE

Graduate Trainee

Siinkee Bank, IT Innovation
Department

Jan 2022 - March 2023

- Implemented Oracle Flex cube Core Banking Impl. with JMR
- Implemented Cheque Trancation System Integration with Fintech.
- Implemented Oracle banking user experience with JMR

Associate Software Engineer

Siinkee Bank, IT Innovation

March 2023 - Now

- Automacted issue tracking system
- Automated HR and Fixed Asset Mgt. Sys
- Automated Loan application queue management
- Developed the official website and internal portal website for siinkee bank.

To Whom It May Concern

It gives me a great pleasure to recommend **Tinsae Tadesse**, for any job in his area of studies. **Mr. Tinsae**, has graduated in Department of Information Technology in Regular Program. I have known him for four year as my student in the department.

During all the period that I have known **Mr.Tinsae**, I found him to be talented, hardworking, dedicated, passionate, and focused towards his studies as well as sociable with his classmates and friends. The positive evaluation results from his classmates, teachers, and other peers testify that he is highly respected by everybody in the institute.

Now, he is seeking for a job in his area of specialty. As Head, Department of IT, I hereby judging his hitherto experience at the department, I am convinced that he will discharge any assignment given to him successfully. This is thus, to kindly acknowledge him that I have no qualms to recommend **Mr.Tinsae**, for any job in your organization related to areas of his qualification.

Should you have any questions regarding this recommendation, please do not hesitate to contact me at my contact.

Letter of Recommendations

It is True pleasure for me to write this recommendation letter for **Tinsae Tadese**, who was my student since 2019 G.C while I taught him course of Telecommunication Technologies, Data Communication and computer Networking.

I have known Tinsae Tadese for three years in my capacity as Lecturer with the Department of Information technology at Hawassa University with his active involvement in attending class room lessons with scoring excellent grades as well as projects both inside and out the university.

In this context, I can confirm for his consistently brilliant academic performance and dedicated attitude to his studies.

He has been placed in the top of top performing students. He is intelligent, inquisitive and seeks to gain in-depth knowledge of with his determination and hard work I have no doubt that he will succeed in all his endeavors.

His final year industrial project was entitled “**Android based home to home service system**” was ranked among the best projects carried out in the department. He has proved his motivation and displays intelligence, and an analytical aptitude fit for Bachelors of his undergraduate study . I believe that **Tinsae Tadese** is an outstanding undergraduate student. I recommend him in the strongest terms for his competency to the concerning job opportunities.

If you should require any other extra Information, please do not hesitate to contact me.

Sincerely,
Tewodros Tilahun, Masters In Technology (M.Tech)
Lecturer at Hawassa University, Institute of Technology
